5,90 / 7,90

Why should one live
vegan?

Check out the
documentary Dominion
here:

Warning: Not suitable
for the faint of heart!

Saisonal Dishes

Risotto ^G

Italian organic whole grain rice with organic white wine from the region results in a creamy delicious risotto, garnished with root vegetables out of the oven

13,90

Grandma's vegan Sauerbraten

Thanks Grandma, for cooking vegan. And then something like this: Christmas Sauerbraten with sauce, spaetzle and apple red cabbage!
of course all
homemade
Just WOW

14,90

„G“ means
glutenfree possible

Desserts

„Herrencreme“

(but anyone of legal age can eat it)

Attention: there's probably one or two per mille in here!

But also vitamins in the form of pickled cherries

5,50

Aachen Tiramisu

Tiramisu-like
Dessert
with Printen
Au Hur

(without alcohol and coffee)

6,50

„Gifted Break“

You can buy what we call a gifted break from us. In principle, it works like a voucher, only this one hangs at our counter, and people who can't afford a meal can take advantage of it. Or you can give the voucher to someone yourself.

Our Burgers

Each with a seasonally adapted vegetable-lentil patty on a homemade spelt bun and fries

PZ Royale TS^G

the better slow food burger with – as always - homemade deluxe sauce and cucumber relish

12,90

BBQ-Burger

with Cheeze, caramelized onions and smoky BBQ sauce

12,50

Saisonburger^G

mit fried mushrooms, cranberry mayonnaise, Truffelmayo

13,90

One vegan, christmas

Sauerbraten Vöni, please!

The vegan Super Kebab

kebab meat in sauerbraten style, apple red cabbage salad, cranberrymayo
5,90

Kebab Plate ^G

kebab meat in sauerbraten style with fries, apple red cabbage salad and cranberrymayo

10,60

Kapsalon ^G

the layered kebab delicacy:
Fries
Kebabmeat in sauerbraten style
cranberrymayo
salad
apple red cabbage

11,60

Still hungry? Then feel free to order an extra portion of fries per burger or kebab dish. This way, we save food by avoiding oversized portions.

Thank you for eating a **vegan burger**; by doing so, you **save** approximately compared to a **100g beef burger**:

4,9m² useful Space

1540l Water

2,2kg CO₂ – equivalents
